# Helpful Application Tips

## ► Helpful Application Tips

- Do not enter your coursework from memory—Use your transcripts!
- Do not wait for CASAA to receive all materials before submitting your application.
- Complete the "Colleges Attended" section of the application first. CASAA cannot post transcripts to your application until this step is done.
- Consistently check status of your transcripts, references, test scores, and any forms.
- Arrange for all materials to arrive by the deadline.
- Check your email daily for important messages from CASAA and programs.
- Review your application for accuracy before submitting the application.

# Before Starting the CASAA Application

- ▶ Prior to applying you will want to research the programs you wish to apply to.

Pay special attention to:

- Cycle dates and deadline requirements. In some instances, the individual program's deadline may differ from the application's cycle dates.

- Application fees. Some programs may have a supplemental fee; contact

your programs to learn if they require this and how to pay it.

- Evaluation requirements.

- Minimum requirements, including prerequisites, standardized test scores, supplemental applications, foreign evaluations, etc.

# A Note about Etiquette

- ▶ CASAA expects all applicants to exhibit professionalism when contacting customer service. Applicants must identify themselves properly and honestly, as information cannot be provided to parents, spouses, family members, or friends. Misrepresentation of identity and/or dishonest, threatening, or offensive communication will not be tolerated.

# CASAA Background Checks

- ▶ Background checks vary widely from program to program. Some programs require applicant background checks prior to acceptance, while others require these checks as a condition of matriculation. For questions about background checks – including when in the application process this must be completed – contact each of your programs directly. Background checks reflect all prior convictions, guilty pleas, city ordinance citations (such as public intoxication), illegal possession(s) including possession of alcohol under the legal age, payments of fines (including those for traffic violations), and in some cases, prior records thought to have been expunged. Note that in some states, common traffic violations can be considered misdemeanors.

# CASAA Fees

\$160 fee to apply to one  
program

\$50 fee for each additional  
program

# CASAA Waivers

[CASAA Applicant Help Center](#)[Starting Your CASAA Application](#)[Getting Started with Your CASAA Application](#)[CASAA Application Fees and Waivers](#)

## Applying for a Fee Waiver

Determine when to apply for your waiver.

Keep in mind that fee waivers are limited and only valid for 14 days (including holidays and weekends) from the time you are approved. Be ready to submit your application if you are approved.

Start your application.

You must have an account to apply for a fee waiver. Fee assistance applications are not accepted by mail or email.

Complete and submit your fee assistance application.

1. Click on your name in the upper right corner of the application, then select **Fee Assistance Program**.
2. Enter your household's adjusted gross income for 2022 and the current number of members in your household. Note that "size of family" includes the number of people claimed as dependents on the tax report.
3. Upload a copy of the filed 2022 Federal Income Tax Return Form 1040. This form was either filed by you or by someone who listed you as a dependent (such as a parent or guardian). Remember, if you were listed as a dependent, you must submit that individual's tax return form instead of your own.

Await notification.

Once you submit your fee waiver request, it can take up to 10 business days to process. The status of your request will be sent to both your email address and your application inbox.

While your fee waiver request is pending, you are unable to submit your application. To submit your application and forfeit your waiver request, return to the **Fee Assistance Program** section and click **Cancel Request**. Once you submit your application, you are ineligible to apply for another fee waiver.

Submit your application and pay any remaining balance.

If you are approved, the waiver amount of \$165 will be automatically deducted from your total fees, and you are responsible for any remaining balance. Contact customer service immediately if you do not see the waiver amount deducted.

Remember to submit your application within 14 days of your approval (including holidays and weekends). Outstanding transcripts, evaluations, and/or test scores do not have to be received within this timeframe.

Transcript Entry

Enter transcript information exactly as it appears on your transcript. Your transcript details will be reviewed by a quality assurance team. If there are inaccuracies, your application will be sent back to you, and this will result in delays in submitting your application. All courses must be included, even if you did poorly or later repeated the course. If you have transfer credits, enter these credits from the institution where you originally took the course.

After you enter transcript information for all colleges attended, you will complete Transcript Review. In Transcript Review you will be asked to identify additional attributes about your coursework including Primary College and courses that are Repeated, Advanced Placement, Other Tests, Honors, and Study Abroad.

To complete this section accurately:

- Report all courses on your transcripts. Be sure to include courses from which you withdrew, repeated courses, ungraded labs, test credits, gym courses, orientations, or other non-graded courses.
- Use official copies of your transcripts. List your courses under the correct term, year, and class level. Department prefixes and course numbers must precisely match those on your transcripts.
- Enter courses under the institution where you originally took the course, exactly as they appear on the original school's transcript.

[Click here](#) for more information.

Once you submit your application, you cannot edit previously entered coursework, but you can add new coursework.

# AP Scores & Dual Enrollment

- ▶ **Freshman-Senior:** Applies to all college- or university-level courses taken prior to your first bachelor's degree. In general, four-year students should list one year per designation and five-year students should list their last two years as senior. Non-traditional students should label their terms as evenly as possible in chronological order.
- ▶ **Dual enrollment** courses (college courses taken during high school) are considered freshmen and should be listed under the college where you took them. Do **not** report these courses again as transfer credits at your undergraduate institution.
- ▶ **Test Credits:** You can only list test credits if they were awarded by one of the schools you attended and they appear on your transcript. Test credit types include Advanced Placement (AP), International Baccalaureate (IB), CLEP, DANTE, Regents, and courses you "tested out of" at college or university. List these credits under your first term at the school that awarded you the credit and enter "CR" as the grade. If no course prefix or number appears on the transcript, enter "N/A" for Not Applicable.
- ▶ Be sure to designate these test credits appropriately in the Transcript Review section (below).
