What is a fee waiver?

A fee waiver is an application fee discount granted to applicants who apply for the waiver and who meet the specific requirements described in the NursingCAS instructions. The amount of the fee waiver may cover some or all of your program application fees.

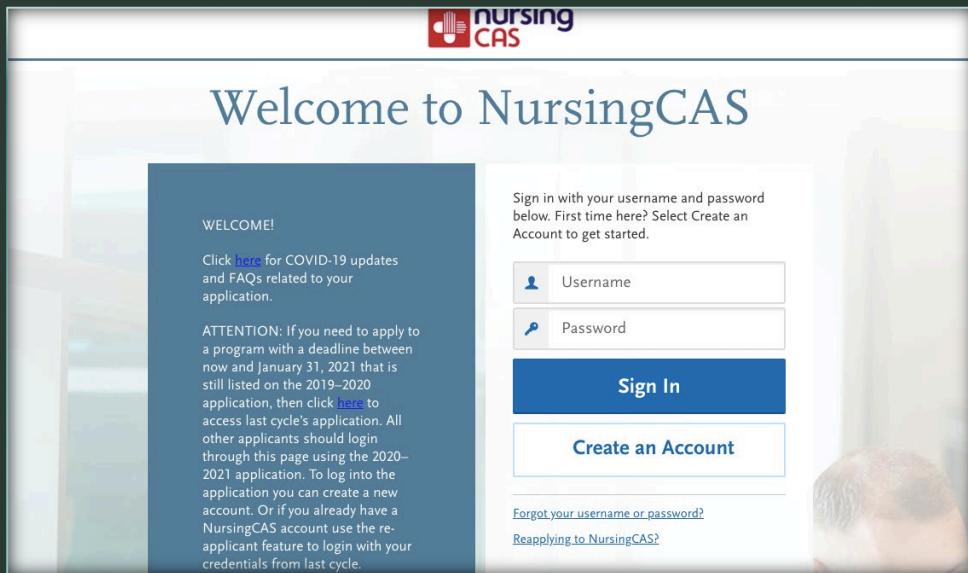

How do I get a fee waiver?

There are a limited number of fee waivers available in each application cycle, and they are awarded on a first-come, first-served basis. For more information about how to qualify for a fee waiver, see the NursingCAS [Instructions and FAQ](#).

How will I know if I've been awarded a fee waiver?

When a decision is made on your fee waiver application, NursingCAS will notify you through your application, and will also send you an email. **It is very important that you not e-submit your application until you receive your fee waiver decision.** All fee waiver decisions are final.

The screenshot shows a user interface for 'Professional Transcript Entry'. At the top left is a circular icon with a graduation cap and a checkmark, labeled 'Sections Completed 2/4'. To its right is the main title 'Professional Transcript Entry'.

What is this?

- Save time completing your application by having us enter coursework on your behalf.

How long does it take?

- Professional Transcript Entry frees you to focus on more strategic tasks, like writing your essay or gathering letters of recommendation.
- Professional Transcript Entry also improves the accuracy of coursework entry, so you can avoid any processing delays.
- And don't worry, you'll be able to approve all entries before they're finalized.

How much does it cost?

- It's just \$69 for up to 3 transcripts, \$95 for 4-6 transcripts, or \$145 for 7 or more transcripts.
