Introductory Orientation
For Pre-Nursing Students

Casey Ellis
Pre-Allied Health & Nursing Advisor | Pre-Professional Advising Office

Office of the Vice President for Instruction
About the Pre-Health Advising Office

- Our office advises all UGA students interested in healthcare careers.
  - Medicine, dentistry, vet, optometry, allied-health (GC, PT, OT, AA), physician’s associate and nursing.

- We are located at 130 Memorial Hall
  - **Website**: ppao.uga.edu
  - **Email**: premed@uga.edu
  - **Phone**: 706-542-0444

- Visit our [website]:
  - To join our [Pre-Health UGA listserv](#).
  - To check out our [Pre-Health Event Calendar](#) for upcoming meetings/workshops/events.
  - To make an appointment with a [Pre-Health Advisor](#).
  - To check out our [Study Abroad programs](#).
Hi! My name is Casey Ellis. I am your pre-allied health and nursing advisor. I am here to help you be the most well-rounded applicant you can be.

I am here to encourage and advise, not decide. On your way to nursing school, you will focus on grades, involvement, leadership, volunteering, and shadowing. You can find a little bit more about me on our website.
How to Contact Me

• Email me at cme18@uga.edu for a quick question

• Make an appointment with me in SAGE.
  • Appointments are 45 minutes in length and can be either in person or over Zoom (your choice)
  • By FERPA rules, meetings are with you only. If you must Zoom in a public space, find a quiet area and use earbuds.

• Visit my walk-in hours.
  • 15 minutes in length
  • Tuesday mornings from 9-10 am
  • Thursday afternoons from 2-3 pm
Orientation Overview

- UGA and Nursing
- Nursing Pathways for UGA Students
- Selecting a Major
- Prerequisite Courses
- Creating a Nursing School List
- Clinical Experiences
- Extracurricular Activities
- Exams
- Applying to Nursing Programs
UGA and Nursing

- UGA does not have a nursing program
- UGA does not have a partnership with any nursing program
- UGA does not have a nursing major
Pathways to Nursing School

- Complete all 4 years at UGA
  - MN+MSN (entry-level 3-year program to end as a NP)
  - Accelerated BSN
  - Traditional BSN
  - MSN (entry-level master’s program)

Core Classes at UGA

Transfer out of UGA (usually after sophomore year)
What Should I Major In?

- **Major does not matter!**
  It is more important to pursue a major that interests you as you are far more likely to succeed in a major you enjoy. Pick a major that aligns with your passions. It is true that certain science majors require the nursing prerequisites and therefore completing your plan on degree works more efficiently but that does not mean that is the best choice for you.

- **Need help selecting a major? Visit our Exploratory Center.**
  Information about courses, majors, minors, and certificates can be found on the UGA Bulletin website: [https://bulletin.uga.edu/](https://bulletin.uga.edu/)
  Undecided and/or Exploring? Visit the Career Center [https://career.uga.edu/](https://career.uga.edu/) and/or the Exploratory Center: [https://advising.uga.edu/exploratory-center/what-we-do/](https://advising.uga.edu/exploratory-center/what-we-do/)

- You will take your prerequisite courses alongside major courses. Your primary advisor can help you balance your schedule.
Typical Prerequisite Courses

- Anatomy & Physiology I and II (CBIO 2200/L & CBIO 2210/L)
  - Microbiology (MIBO 2500/L or 3500 and Lab)
  - Statistics (STAT 2000 or BIOS 2010)
  - Lifespan Development (HDFS 2200)

One science sequence (BIOL 1103/L & BIOL 1104/L) or (BIOL 1107/L & BIOL 1108/L) or CHEM 1211/L & CHEM 1212/L
- Psychology (PSYC 1101)

Other Suggested Classes:
- Psychology (PSYC 3230)
  - Nutrition (FDNS 2100 – needed for Emory)
  - Behavioral Science (ANTH 1102 or SOCI 1101)
  - Medical Terminology (CLAS 1030 – needed for Brenau)
Create a Nursing School List

• Make a list of schools you would like to apply to. What are their requirements for admission? What are their deadlines? What tests do they require?

<table>
<thead>
<tr>
<th>Schools</th>
<th>Deadlines</th>
<th>Prerequisites</th>
<th>Test Needed</th>
<th>Supplemental Info</th>
</tr>
</thead>
<tbody>
<tr>
<td>Augusta BSN</td>
<td>March 14th</td>
<td>BIOL 1103/L &amp; 1104/L</td>
<td>TEAS</td>
<td>Essay</td>
</tr>
<tr>
<td>Brenau MSN</td>
<td>July 26th</td>
<td>CHEM 1211/L &amp; 1212/L</td>
<td>HESI</td>
<td>Essay</td>
</tr>
</tbody>
</table>
Shadowing & Clinical Experiences

• Shadowing/Observation Hours
• Clinical Work or Clinical Volunteering
• Medical Certifications/Licenses: C.N.A, M.A., EMT, Phlebotomist, Scribe, Interpreter, etc.
• You can keep up with these experiences in a journal, excel sheet, or in the UGA Pre-Professional Planner App!
Community Involvement

• Hospitals/Clincs/Hospice – I am happy to send you a list.
• Non-Medical Volunteering – Pick an organization to volunteer with consistently with an underserved community in a face-to-face manner. I am happy to send you a list of examples.

Volunteer experiences do not have to be in a healthcare setting! No minimum hours, simply show a consistent level of commitment. Find something where you’re helping regularly, not just one-offs. Follow your passion! Keep a record of experiences. Dates, location, who you worked with, what you did, etc. You will not be able to simply upload a resume to most applications.

• Interested in getting a medical certificate/license? I can help set you up.
• Clubs/Organizations at UGA: https://uga.campuslabs.com/engage/ORGANIZATIONS
TEAS

- Take the TEAS no later than the semester before you plan to apply
  Registration is rolling and can be completed via the ATI website

- Courses you need before the exam
  Anatomy & Physiology 1 (CBIO 2200/L) & (CBIO 2210/L)

- Teas Scores range from 60-100%
  The average matriculant score is a 75%

- Self-study for the TEAS should be sufficient.
  Check out free study materials from the PPAO Resource Library: https://ppao.uga.edu/resources/reslib/
**HESI**

- Take the HESI no later than the semester before you plan to apply
  
  It is offered regularly, and registration is rolling. Registration can be completed via the HESI website.

- The HESI contains nine specific subjects:
  
  vocabulary and general knowledge, reading comprehension, grammar, basic math skills, biology, anatomy and physiology, chemistry, and physics.

- The average matriculant HESI score is 75% or higher.

- Self-study for the HESI should be sufficient.

Check out free study materials from the PPAO Resource Library: [https://ppao.uga.edu/resources/reslib/](https://ppao.uga.edu/resources/reslib/)
GRE

- Take the GRE four to six weeks before you plan to apply.
  
  It is offered regularly but can take 4 to 6 weeks to receive scores and up to 10 business days for scores to be received by schools after they have been sent.

- There are no specific courses you need to take before the exam.

- GRE scores range from 260-340
  
  Try to score at least 300 (50th percentile) as a composite (combined) score. This would come out to ~150 for quantitative and ~150 for verbal, ~4.0 writing

- Self-study is sufficient for the GRE.

  Check out free study materials from the PPAO Resource Library: https://ppao.uga.edu/resources/reslib/
Primary Components of the Application

- **Academic History**
  Overall GPA, Science GPA, Prerequisite GPA
  
  **Transcripts**

- **Exam Performance (TEAS/HESI/GRE)**

- **Activities/Experiences**

- **Personal Statement/Essays**

- **Letters of Evaluation (start building relationships now!)**
What Should I Do Next?

- Make an appointment with me in SAGE
- Meet with your primary advisor
- Research ways to get involved
- Research nursing programs
- Visit our website
  
  - Join the Pre-Health listserv
  - Review relevant information for your field
  - Attend our events
