Approved Volunteering Organizations

Things to Remember:
• You may volunteer at multiple sites given they are on this list.
• You must **document and get a signature of a staff member** or someone in leadership for each volunteer site, see volunteer sign-off sheet.
• You have until December 3, 2021, to complete **50 hours of volunteering** and submit documentation to the coordinator.
• Be aware not all volunteer sites may be accepting volunteers.
• In order to get the most from the program, students are encouraged to step outside their comfort zone and try a new volunteer opportunity. This will also be helpful on your profession school application if you challenge yourself.
