

Approved Volunteering Organizations

Things to Remember:

- Volunteering through these organizations on this list will be accepted or any other underserved organization of your choice. Please email tqadri@uga.edu if you are unsure.
- You may volunteer at multiple sites.
- You must **document and get a signature of a staff member** or someone in leadership for each volunteer site; see volunteer sign-off sheet.
- You have until May 6th to complete **50 hours volunteering** and submit documentation to the coordinator.
- Volunteering may take a while to set up, therefore students are strongly encouraged to **start the process of volunteering early** in the semester.
- Be aware not all volunteer sites may be accepting volunteers.
- To get the most from the program, students are encouraged to step outside their comfort zone and try a new volunteer opportunity. This will also be helpful on your professional school application if you challenge yourself.
- Volunteering must be completed during spring semester (**January 6th to May 6th, 2025**)
